Why choose
CorelDRAW Standard 2021?

Create just about anything — from postcards and photo books to advertisements and web graphics — with trusted tools for illustration, layout, and photo editing.

All-in-one design and layout

CorelDRAW Standard provides significant capabilities for graphic design and layout in a single application.

Flawless photo editing

Improve any image with the powerful layer-based photo editing features in Corel PHOTO-PAINT™ Standard.

Easy to use

Create confidently with intuitive tools, tips, and tutorials at your fingertips—no matter your skill level or area of expertise.

Viacheslav Lukasevych

# Who's it for?

Graphics enthusiasts

Graphics enthusiasts and entrepreneurs choose CorelDRAW Standard to design a variety of materials for their hobbies, teams, or community organizations, as well as to manage their personal brand on social media.

Home businesses owners

Entrepreneurs and home business owners rely on CorelDRAW Standard to produce sales and marketing materials, such as flyers and visual aids, to turn their vision into reality.

What's included

CorelDRAW Standard

From clone and artistic media tools to Spiral, Smooth, Smear and add Shadows, you'll find for right set of vector illustration and page layout tools to tackle personal and home business creative projects.

Corel PHOTO-PAINT Standard

Create captivating images with impressive photo-editing capabilities. Apply adjustments like straighten, grayscale, and vibrance, and experiment with popular bitmap effects such as colorize, sepia, and sharpen.

Royalty-free, quality content

Keep your designs fresh with 1,000 clipart and digital images, 100 royalty-free, high-resolution photos, 175 fonts, 20 photo frames, 900 fills, and 60 professionally designed templates.

Key capabilities

Vector illustration

Turn basic lines and shapes into complex works of art. Create curves with many versatile shaping and drawing tools.

Photo editing

Retouch and enhance your photos with Corel PHOTO-PAINT Standard's powerful layer-based photo editing tools. Adjust color and tone, apply effects, remove imperfections, and more.

Page layout

Create layouts for brochures, multi-page documents and more. Use rulers, grids and guidelines to help you organize objects and place them exactly where you want.

Typography

Arrange type beautifully with an array of text tools. Add drop shadows and other effects to text for greater impact.

Web graphics

Develop captivating web content with a collection of web graphics tools and presets. Ensure any graphic you export for the web has crisp edges with a series of pixel-perfect tools.
