PaintShop Pro customer profiles

Photographers and photo editors

First and foremost, PaintShop Pro is designed from the ground up for photo enthusiasts. Whether they're just starting out as hobbyists with their first DSLR, experienced photo enthusiasts, or prosumers, they need tools that help them achieve their creative vision. PaintShop Pro provides the comprehensive ability to edit, make quick adjustments and manage an entire photo collection within one product.

Graphic designers and creative consumers

PaintShop Pro's layers, vector tools, and painting and drawing tools are ideal for many graphic designers — whether at home or at work. Graphic designers use PaintShop Pro to make a variety of compositions, including scrapbook content, posters, web graphics and more. Creative consumers produce content to share with friends and family. They want a photo editor that's easy to use and gives them access to a wide range of features and effects.

Business and education users

For businesses of all sizes, PaintShop Pro is enormously valuable at work for everything from creating graphics for presentations, to using screenshot and annotation tools to communicate with clarity. Volume licensing, network deployability and quantity discounts make PaintShop Pro an excellent choice for business and education settings.
