WinZip®24 ENTERPRISE

Comparison Chart

Key features/products included	WinZip Standard	WinZip Pro	WinZip Enterprise
Maintenance One year of free upgrades and priority email support.	Sold Separately	Sold Separately	INCLUDED
NEW! File Search Need to backup, encrypt, manage or share files but not sure where you stored them? Using WinZip's new built-in search, find your files whether they are stored locally, on your network, or even in your cloud storage.	✔	✔	✔
ENHANCED! Direct Access Technology for faster display and unzipping WinZip's Direct Access Technology provides a noticeable reduction in time to display and unzip large Zip files stored in the cloud.	✔	✔	✔
NEW! POSIX TAR Support You can now open and unzip POSIX TAR files in the updated compression format.	✔	✔	✔
NEW! Combine multiple PDF files in one PDF Combine multiple PDF files into a single PDF file. Save the PDF file, zip the PDF file, or share the PDF file. You can even convert other files into PDF files, then combine them and apply WinZip's PDF related security features.		✔	✔
Remove Personal EXIF data from files Stop sharing personal information accidentally. Remove hidden personal data (EXIF) from files before they are shared. Use WinZip to secure any of the following file types to ensure they do not contain hidden personal data: DOC/DOCX, GIF, JPG (JPEG), PDF, PNG, PSD, PPT/PPTX, and XLS/XLSX.	✔	✔	✔
Compress/Decompress Zip and unzip files in all major formats, ZSTD method added to ZIPX for faster and better compression.	✔	✔	✔
WinZip Command Line Use WinZip directly from the command prompt and from batch (.BAT) files and script languages to pinpoint control over WinZip's actions.	✔	✔	✔
Encrypt/Decrypt Password protect files and secure data with 128- and 256-bit AES encryption.	✔	✔	✔
FIPS 140-2 supported Ensure your business meets U.S. government requirements for FIPS 140-2 encryption, both at rest and during exchange, even if Windows OS is not in FIPS 140-2 mode.			✔
Package and Share Share, access and manage files on several leading cloud services from within WinZip. Convert to PDF, add watermarks and resize images. Share faster with the Combined Address Book.	✔	✔	✔
Rich file management Easily access and work with files on your PC, network, HomeGroup and clouds. New Windows Shell Extensions and file/folder pinning options in the WinZip Files pane.	✔	✔	✔
ENHANCED! Schedule File and Folder Clean Up using Background Tools Set your own schedule and execution for WinZip's background tools. Let them work on your system when you aren't .	✔	✔	✔
NEW! Create Custom Background Tools Create custom cleaners for local, network, and cloud folders. Custom cleaners can use filters to flag only file types of interest.		✔	✔
Backup and Automate Automate and schedule backups to prevent data loss, backup to any connected cloud and burn backups directly to CD, DVD or Blu-ray Disc. Combine files from your PC, network and clouds in one backup. Drag and drop files from Explorer or the WinZip File Pane into the Job Wizard for backup.		✔	✔
