WordPerfect[®]

STANDARD OFFICE X7

More power. More productivity. More compatibility.

Experience more power, more productivity and more compatibility with Corel[®] WordPerfect[®] Office X7 – Standard Edition. The latest version of this versatile, all-in-one office suite includes everything you need to create high-impact documents, spreadsheets, presentations and more. Work with over 60 file types, including PDFs and the latest Microsoft Office formats. Increase productivity with new tools like the PDF Form feature, Mail Merge Expert and Macro Manager. Use the enhanced eBook Publisher to create an eBook for devices like Kindle, Kobo, Nook and Sony Reader. Plus, discover additional new and enhanced features to take your projects to the next level.

Work with powerful office features

- Create versatile documents, spreadsheets, emails, presentations and more
- Enjoy classic time-saving features like Make It Fit™ and Reveal Codes
- Create fillable PDF forms using the new PDF Form feature

Take your productivity further

- Collaborate using Microsoft Office SharePoint and web services support
- Password protect and encrypt your sensitive files using Roxio® Secure Burn™
- Quickly and easily find settings and commands with the new Keystroke Menu

Discover the ultimate compatibility

- Open, edit and save the latest Microsoft Office formats, including OOXML
- Work with over 60 different file types
- Create and publish eBooks for your Kindle, Kobo, Nook or Sony Reader

Do more with PDFs

- Avoid buying costly PDF software. Open, edit and save PDF files in WordPerfect
- Convert scanned PDF documents into editable files with a few simple clicks

WordPerfect® X7

Powerful word processing

- Create high-impact documents, letters, labels, cover sheets, brochures, resumes and more
- Open, edit and create Microsoft Word files, including OOXML (.docx)
- Use Reveal Codes for hassle-free formatting
- Open a PDF, edit in WordPerfect, then resave as a PDF or convert into other formats

Quattro Pro® X7

Dynamic spreadsheets

- Create spreadsheets for budgets, invoices, receipts, expense reports and more
- Open, edit and create Microsoft Excel files, including OOXML (.xlsx)
- Organize, analyze and share data to work smarter and faster

Presentations™ X7

Captivating slideshows

- Create compelling slideshows, proposals, demos and interactive reports
- Open, edit and create Microsoft PowerPoint files, including OOXML (.pptx)
- Edit pictures, create charts and diagrams, and share content quickly and easily

WordPerfect® Lightning™

All-in-one digital notebook

- Take notes and gather text and images from a variety of sources, including documents, emails, web pages and more
- Reuse your content easily by exporting to a WordPerfect or Microsoft Word document, sending to an email or posting to a blog

WordPerfect® eBook Publisher

Fast and easy eBook publishing

- Create your own eBook for eReaders like Kobo, Kindle, Nook and Sony Reader
- Add chapters, photos and color fonts, then preview your eBook on different devices

Roxio® Secure Burn™

Powerful CD, DVD and Blu-ray™ burning

- Password protect and encrypt your content so confidential information remains private—even if it's stolen or lost
- Work effectively with the easy-to-use drag-and-drop user interface

WordPerfect® STANDARD OFFICE X7
